URBAN MOOD

Da oltre 30 anni protagonista nel settore, la New Trend Concepts Italia è costantemente impegnata nella produzione di imbottiti Made in Italy, caratterizzati da sartorialità e possibilità di personalizzazione. Quando qualcuno si avvicina a noi, è perché vuole un prodotto realizzato nello stile New Trend Concepts Italia, con il meglio della tradizione artigianale espressa dal nostro territorio. L'idea nasce sempre con e per i nostri clienti, sviluppandosi concretamente nel modo in cui la desiderano. La New Trend Concepts Italia interpreta lo stile italiano dell'abitare valorizzando lo spazio con oggetti che diventano protagonisti. Grazie alla capacità di garantire alti standard qualitativi, tutti i prodotti New Trend Concepts Italia sono espressione di un design ricercato, di un'attenta ricerca e cura dei particolari che si traducono in un'inconfondibile eleganza, informale ed accessibile.

Having been protagonist of the scene for over 30 years, New Trend Concepts Italia is constantly engaged in the production of upholstered furniture made in Italy, characterized by tailoring and customization.

When someone approaches us, it's because he wants a product that is made the New Trend Concepts Italia way, with the best of the craftsmanship tradition expressed by our territory. The idea is born for and with our customers, and we keep on trying new and unique ways until we deliver what they desire.

New Trend Concepts Italia interprets the Italian style of living enhancing the space by objects that become key products.

Thanks to the ability to ensure high quality standards all New Trend Concepts Italia products are the expression of a sophisticated design, a careful research and attention to details that result in a unique casual and accessible elegance.

“Un buon design è in realtà molto più difficile da notare rispetto a un design scadente, in parte perché un buon design si adatta così bene alle nostre esigenze che il design è invisibile”
Don Norman

*“Good design is actually a lot harder to notice than poor design, in part because good designs fit our needs so well that the design is invisible”
